SIR,

Subject:-Site for Protestant Cemetery
Your letter No.F.649-36/R.O.I., dated the 29th July 1936.

I have the honour to state that the Standing Committee of the Commission, on the 18th December 1936, inspected the following two sites selected by the Executive Engineer and the Health Officer with Rev. A. E. Scipio:-

1. One near Pottery Town.
2. One on Tannery Road (in Mysore Territory).

2. The Committee suggested that negotiations be opened with the Mysore Darbar for exchange of the site on Tannery Road, North-west of Richards Town, which is in Mysore Territory, with the Municipal land on Bannarghatta Road (equal area).

3. I enclose a blue print plan showing in red the site on Tannery Road which is in Mysore Territory, which is proposed to be taken up by the Commission in exchange for the Municipal land on Bannarghatta Road marked in blue in the enclosed Guide Map of Bangalore. The land on Tannery Road is shown in red in the Guide Map. I request that the Hon'ble the Resident may be pleased to move the Government of Mysore to give the land on Tannery Road to the Commission for the Protestant Cemetery in exchange for the Municipal land on Bannarghatta Road.

(OVER.....

4. The matter may be considered as urgent, as the Kalpally Protestant Cemetery is almost full and will not in all probability serve for more than a year.

SITE FOR A PROTESTANT CEMETERY.

Sir,

I am directed to say that the existing Protestant Cemetery at Kalpully has been rapidly filling up and that the question of extending the cemetery has therefore been engaging the attention of the Municipal Commission of the Civil and Military Station for some time past. There is no further ground available near the present cemetery. The ~~feasibility~~ possibility of locating the extension somewhere in the northern part of the Station was explored; but as no suitable place is available there, the Standing Committee of the Municipal Commission ~~has selected a~~ are actions to ascertain the Tannery Road ~~[in the Mysore State]~~ which is shown in red in the enclosed map and blue print.

They were, however, allotted for the purpose of a cemetery by the Chief Commissioner's Notification No.47, dated the 14th May 1870 (a copy of which is enclosed) and although they have never yet been taken into use for a cemetery, the records show that they were handed over to the Municipal Commission in 1870 and are still regarded as municipal land and available for the purpose.

Letter No.B2D.Dis.2643/36-37 dated the 7th April 1937 from the District Magistrate, Bangalore District.

- - -

With reference to your letter No.L.6162 dated 22nd February 1937 calling for my opinion regarding the grant of a site to the Protestant Cemetery at Kalpully, I have the honour to state that I inspected the land selected by the Municipal Commission of the Civil and Military Station for the cemetery. A sketch showing the situation of the land is enclosed. The land comprises portions of S.Nos.24, 16 and 15 of Devara-Jeebanahalli and a portion of S.No.99 of Kalagondanahalli village and is shown shaded in black lead pencil in the sketch. It abuts on the high road running within the Civil and Military Station limits towards Devarajeebanahalli village. There is a mosque in this area and an Anjaneyaswami temple in front of it. Not far from it, there is a mango grove which contains an Ediga. For these reasons the land is quite unsuited for purposes of a cemetery and it is not desirable to appropriate it for a burial ground.

Towards the north of the present burial ground, there are certain lands in private holding which are away from the high road and which can be used as a cemetery. These Survey numbers are adjacent to the present burial ground and belong to Kacharakanahalli. If the Civil and Military Station Municipal Commission are agreeable to have these lands (S.Nos.102, 107, 96 and 97) they may be acquired for the extension of the present burial ground. The total extent of these S.Nos.is 16-35 guntas.

The lands by the side of Bannerghatta road now offered by the Civil and Military Station Municipal Commission in exchange for the lands required for the cemetery in Devarajeebanahalli are S.Nos. 9 and 10 of Lakkasandra village. They do not belong to the Civil and Military Station Municipal Commission as stated by them, but are the properties of the Mysore Government. The notification No.47 dated 14th May 1870 of the Chief Commissioner goes to show that the said lands were acquired by the Mysore Darbar for the construction of

(8

a Central Cemetery for the use of all classes of natives in the Town and Cantonment of Bangalore and the villages in the neighbourhood.

The Collector, Civil and Military Station, Bangalore in his letter No.4686-D-34 dated the 11th December 1934 to the Amildar, Bangalore Taluk (copy of which is enclosed) has stated that the said lands do not belong to the Government of India, Army Department. As the lands were not being used for the purpose for which they were originally reserved they have since been disposed of in public auction for cultivation under darkhast rules. In the above circumstances the question of exchanging the lands does not arise.

If the Municipal Commission of Civil and Military Station are agreeable to pay the cost of acquiring the lands of Kacharakanahalli referred to above, further action will be taken in the matter.
